

Imagine The Swan  
The Zombies

verse 1

**F Gm C7 F**  
Well I have a picture in color of you

**F Gm C7 F**  
And it s there in my room to remind me of you

**F A7 ? D D7 ? Gm**  
So it was with surprise that I saw you today

**Gm7 E E7 A**  
And I did not recognize you, girl, what more can I say?

**F Bb Bb/A Bb/G**  
For the colors are gone

**Gm F Am/E D**  
You ve become kind of gray

**D7 Bb Bb/A Bb/G**  
And you re not like the swan

**Gm F**  
That I knew yesterday...

**F Bb Bb/A Bb/G**  
Now the pictures are wrong

**Gm F Am/E D**  
You ve become kind of gray

**D7 Bb Bb/A Bb/G**  
I imagine the swan

**Gm F**  
That you were yesterday...

verse 2

**F Gm C7 F**

The sadness that I felt was hard on my eyes

F Gm C7 F  
And the truth on my face was hard to disguise

F A7 ? D D7 ? Gm  
So I let you walk by I turned out of your way

Gm7 E E7 A  
And I tried to close my eyes And let the sadness fall away...

REPEAT *Chorus*
