Go easy this is my first tab, I think it may be played with a capo, not sure.

Song: Dear Molly

Artist: The Zydepunks

**G** **D**  
Dear Molly how ya been?  
**Em** **C**  
Are you in Dallas, or back in Lafayette?  
**G** **D** **G**  
Thanks for the dance, thanks for the gin My old friend  
**G** **D**  
Did we ever walk down Saint Claude  
**Em** **C**  
Was it you I saw at Markey s Bar?  
**G** **D**  
Did we ever share a night at Vaughan s  
**Em** **C**  
Did we ever walk the levee walls  
**G** **D** **G**  
Yeah we were there and we ll be back My old friend  
**C** **G**  
Now, the dreams take me home  
**D** **G**  
Far from dirty towns I roam  
**C** **G**  
Dreams of fear, dreams of hope,  
**Em** **G**  
Dreams of faces that I know  
**G** **D**  
Down on Burgundy men pass me by  
**Em** **C**  
Is it fear or is it murder in their eyes  
**G** **D**  
Donâ€™t tell me this is the end  
**Em** **C**  
We ve been through worse and we ll be back again  
**G** **D** **G**  
We ll have a drink for each other In the 9th Ward

Accordion ends the song with: **G-C-G-D-G**
