Am F C G (2 times)

Am

Three PM

F

Blue as a roadsign

C

With a bag and some cheap wine

G

The suns in my eyes

Am

Between

F

The smoke trails of aircraft

C

The kite tails and light shafts

G

There s a language in the sky

Am

There are bones

F

Living [Hiding] under the viaduct

C

Sleeping [Sweeping] down by the railway line

G

Making wagers with the day

Am

There s a rumour

F

Dirty as a chimney stack

C

Quiet as roadkill

G

On the northbound carriageway

F

And who s gonna raise a hand

G

When all we were taught to do was dance

F

Who ll be able to stand after this avalanche

Am F C G (2 times)

Am

Well they sold you

F

Back your outrage

C

In a neat little shrink-wrap

G

And a beautiful face

Am

And you think

F

That you ve found your purpose

C

While they ve been trailing the breadcrumbs

G

Of a watertight case

Am

So you re shouting

F

But you re shouting softly

C

So no-one can hear you

G

And get the wrong idea

Am

But behind

F

The closing eye of the tabloids

C

We will be waiting

G

And we ll say it clear

F

Cos who s gonna raise a hand

G

When all we were taught to do was dance

F

Who ll be able to stand after this avalanche
