Thea Gilmore Contessa

Bb **Eb**
Contessa, Contessa, oh please leave your hat by the door
Bb **Eb**
Well, I thought I told you you couldnâ€™t call round anymore
Bb **Eb**
And outside in the street and the rains turning tricks on the day
Bb **Eb**
Contessa, Iâ€™ve told you so why do you come anyway?

Bb **Eb**
Well, ten years ago by the motorway bridge with a smile
Bb **Eb**
And your red lacquer shoes, oh you lived inside me for a while
Bb **Eb**
I had an old cow bone that I used to draw hearts in the dust
Bb **Eb**
Contessa please tell me just what the hell happened to us

F
â€™Cause Iâ€™ve gone
Eb **Bb**
Gone run that road
F
Iâ€™ve gone
Eb **Bb**
Gone run that road
F **Eb** **Bb**
Run that road home

Bb **Eb**
I was a scared little kid with a head full of hormones and holes
Bb **Eb**
With one eye on atonement and a body already grown old
Bb **Eb**
There you were with your secrets and your notebook of genuine lies
Bb **Eb**
Saying â€œgirl its your party but you sure as hell donâ€™t wanna cry, donâ€™t
wanna cry

F
Iâ€™ve gone

Eb **Bb**
Gone run that road
F
Iâ€™ve gone
Eb **Bb**
Gone run that road
F **Eb** **Bb**
Run that road home

Yeah, run that road home

Bb **Eb**
So I was the black sheep, yeah, I was the lone cavalier
Bb **Eb**
But with a face like stone, oh Connie its lonely out here
Bb **Eb**
Iâ€™ve taken some pills and Iâ€™ve played with the hand I was dealt
Bb **Eb**
And you saved me that time but now Iâ€™ve learned to save myself

F
And Iâ€™ve gone
Eb **Bb**
Gone run that road
F
Iâ€™ve gone
Eb **Bb**
Gone run that road

Run that road home

Oh, run that road home

Yeah, run that, run that, rung that, run that, road home

Yeah, run that road home
