

**Sugar Box**  
**Then Jerico**

Tabbed by : Jad Zeitouni

(If you find any wrong chord please email me the correction :  
jad.zeitouni@live.com)

Capo on second Fret

Standard tuning

**A**

Lips Like sugar      Sugar box

**D**

Since the day you walked into my dream

**A**

**D**

I have felt an older side revealed

**Bm7**

Taking me and standing way above

**A**

Making me dishonest with your love

**E**

**A**

Ooh, cos I was always far to lonely to believe

**D**

You could want me back now

**A**

Prey

**E**

**A**

Ooh, and it was always second chances I received

**D**

Don't you want me back now

**A**

Prey

**D**

Learning sometimes takes a little time

**A**

**D**

Holding out and hoping that it's mine

**Bm7**

Falling out and falling in between

**A**

Turn myself around myself I see

**E**

**A**

Ooh, cos I was always far to lonely to believe

**D**

You could want me back now

**A**

Prey

**E**

**A**

Oh, and it was always second chances I received

**Bm7**

Don't you want me back now

**A**

Ah, sugar box

**D**

Lips like sugar Sugar, sugar box

**A**

Ah, lips like sugar Sugar box

**D**

Burning with the hurting of a child

**A**

**D**

Crying out and hoping that it's mine

**Bm7**

Sliding out and drifting on away

**A**

I've turn myself around once in this game

**E**

**D**

Ooh, cos I was always far to lonely to believe

**D**

**A**

You could want me back now Prey, prey

Ooh, and it was always second chances I received

Don't you want me back now

Ah, ah, ah, ah, sugar box

Ah, she had lips like sugar Sugar box, she said Lips like sugar, sugar box
