Christmas Medley - Theocracy

Tabbed by: CowManJones

Tuning: Standard (EADGBE)

**
** So for this chord submission, I got the chords for each of these songs from
**
** other chord submissions here on UG and I listened to find the appropriate
**
** key for this medley and transposed them as needed. These chords are intended
**
** for acoustic guitar and only offer an approximation of the original sound,
**
** as such, I didn't specify instructions for the parts that really rely on the
**
** power metal sound.

[Angels We Have Heard on High]

E **B7** **E**

E **B7** **E**
Sweetly singing o'er the plains
E **B7** **E**
And the mountains in reply
E **B7** **E**
Echoing their joyous strains.

[Carol of the Bells - Instrumental]

Note: This section is simplified a bit. Also, the bass notes are impossible

to play with the lead the way I have it. Sorry about that! Maybe someone smarter than me can figure that out.
