

**Better Or Worse**  
**Theory of a Deadman**

Hi, i don t pretend to have the perfect sound for the song but actually this is a good startup.. I didn t tab the solo because i m not that good by ear so maybe some chords or two are wrong but pretty close.

Tuning: Half-step down

Chord chart (maybe those aren t the good names for the chords...)

```
      Em/D  A#  C#add11
e | --3-----3----- |
b | --3-----3----- |
g | --0-----0-----2----- |
d | --2-----1-----0----- |
a | --2-----2-----0----- |
E | --0-----0-----2----- |
```

```
      Dsus2
e | -----0-----0-----0-----0-- |
b | -3-----3h2-----2h0-----0----- |
g | -----2----- |
d | ---0-----0-----0-----0----- |
a | ----- |
E | ----- |
```

**D**

Watching you walk out the door

**A**

I think I ve seen it all before

**G**

But this time s different

This time s not the same

**D**

All those memories of us are gone

**A**

How could all this be wrong?

**G**

This time s different

You won t be back again (iuuuhhhhhh)

**Em/D**

Those war winning loves they fade so fast

**A#**

I hoped this one was meant to last

**G** stop

Maybe just maybe, maybe, baby

**D**

Can t leave love in the Sun like that

**A**

A heart may die it s a matter of fact

**G**

And it s up to us

To rememor these words baby

D (intro 2nd guitar)

Can t keep that anger trapped inside

**A** **G**

We gotta let it go to keep our love alive maybe

C#add11 **Em/D**

We rememor these words for better or worse

(Intro)

**D**

We can only go back in time

**A**

Maybe we can see the reason why

**G**

This time s different

This time s not the same

**D**

All those awful things I shouldn t have said

**A**

Why can we just forgive and forget

**G**

Thinking this time s different

You won t be back again

**Em/D**

Those war winning loves they fade so fast

**A#**

I hoped this one was meant to last

**G** stop

Maybe just maybe, maybe, baby

**D**

Can t leave love in the Sun like that

**A**

A heart may die it s a matter of fact

**G**

And it s up to us

To rememor these words baby

**D**

We can't keep that anger trapped inside

**A G**

We gotta let it go to keep our love alive baby

C#add11 **Em/D**

We rememor these words for better or worse

**A**

From the moment you come I has to feel your touch

**Em/D**

You already broke my heart

**G D**

One reason is not enough baby please

Solo

**D A G**

**Em/D**

Those war winning loves they fade so fast

**A#**

I hoped this one was meant to last

**G**

Maybe just maybe, maybe, baby

(Soft strum)

**D**

Can't leave love in the Sun like that

**A**

A heart may die it's a matter of fact

**G**

And it's up to us

**G G G G G**

To memor these words baby

**D**

Can't keep that anger trapped inside

**A G**

We gotta let it go to keep our love alive maybe

C#add11 **Em/D**

Memor these words for better or worse

**D A G**

For better our worse

C#add11 **Em/D** (let ring)

Memor these words for better or worse
