

**End Of The Summer
Theory of a Deadman**

Theory of a Deadman
End of the Summer

Submitted my MyNobleCause.com

Verses

D#, A#, C#, D/G#

Chorus

D#, A#, C#, G#

D#

Here we are

A#

At the end

C#

D/G#

Say goodbye to all your friends

D#

A#

Here we go watching the sun go round

C#

Sitting on a rooftop making time stop

D/G#

I never want to come back down

D#

never want to come down

Chorus

D#

It s the end of the summer

A#

It s the end of it all

C#

Those days are gone it s over

D/G#

now were moving on

D#

It s the end of the summer

A#

But we ll see it all again

C#

G#

So hold on till this moment till then

D#

It s the end of the summer

Here we stand

In the middle of an empty street

Tell me where you want to go
I ll tell you that s where I want to be

Say goodbye to the warm breeze
We could be almost anywhere
Ill miss you till the next time
I hope I see you there
I hope I see you back here.

Chorus

Rides almost over
It s getting colder
Take one last look
Before it passes by before it passes you by

Chorus Twice (2nd time key change)

(Here you ll play the chorus once the same as all the other times. The second time you play it the same with the same tempo as before except it will start in F. Every chord, no what way you play it--bar chord or power chord will move up 2 frets.)

2nd chorus goes:

F, C, D#, A# Insert chord changes exactly where they were before with new chords.
