

**Head Above Water**  
**Theory of a Deadman**

I haven't found any chords of this awesome song, so I've done it by myself. I hope, you'll get pleasure)

Theory of a Deadman - Head Above Water

Chords

**G#m** 466444  
**E** x76454  
**C#m** x46654  
**Eb** x68886  
**F#** x98676

Verse 1

**G#m**  
Did you ever picture life like this  
**E**  
No shooting star to grant your wish  
**C#m**  
Are you everything you hoped you'd be  
**Eb**  
Or caught somewhere in between  
**G#m**  
You dropped your nickel down a wishing well  
**E**  
And prayed for luck to cast its spell  
**C#m**  
To bring you closer to your dreams  
**Eb**  
That always seem just out of reach

Pre-chorus

**E**  
You pray to God the moment when  
**C#m** **Eb**  
You feel the current pull you in

Chorus

**G#m**  
Try to keep your head above water  
**E**  
Has never been harder  
**C#m**  
Even when it feels hopeless  
**Eb**  
You're gonna get through this  
**G#m** **E**  
Head above water, gotta fight from going under

**C#m**

**F#**

Even when it feels useless to wish

**Eb**..pause

You re gonna get through this

**G#m**

Verse 2(like 1st)

Have you ever felt like giving in  
Tried for hours but just can t win  
Tell yourself you re not good enough  
The struggle alone is just too much  
No one s there to hear you scream  
You gasp for air but cannot breathe  
Did you ever think you d see the day  
When you d watch your life get washed away

Pre-chorus

Chorus

Solo. Play chords

**G#m E C#m Eb**

Bridge

**G#m**

Did it ever hurt so bad

**E**

That the thought of feeling lost would never end

**C#m**

**F#**

Well you will think again

Chorus

**G#m**

**E**

Head above water, never been harder

**C#m**

**Eb**

Tryin to keep your head above water has never been harder

**F# G#m E C#m**

You re gonna get through this

**F# G#m E C#m**

You re gonna get through this

End with **F#**
