

Hurricane

Theory of a Deadman

I did this so i could play it on acoustic. This is the acoustic arrangment

Hurricane- Theory of a Deadman

Gm **Bb**
Verse 1: I should ve known these walls would cave in
C **Bb F**
I should ve never left my heart there on the line
Gm
Cause when the shit hit the fan
Bb **C** **Bb F**
All we ever had ended up lost in the fire
Gm **Bb**
And now nothing s saved, nothing s caged
C **Bb F**
Was it all in vain?
Gm **Bb**
Cause I m standing in the eye of the storm
C **Bb F**
And everything I ve known is blowing away

Gm **Bb**
Chorus: I m caught in a hurricane
F **C**
I m leaving here dead or alive
Gm **Bb**
And I know that I d be willing to feel the pain
F **C**
If it got me to the other side
Gm **Bb**
Cause I know it hurts
F **C**
Hurricane
Gm **Bb**
I can feel it hurts
C
Hurricane

Verse 2:
Remember how we were, we really were
Before this disaster came and tore us apart
It was the two of us, was enough
The two of us, so in love
Till the wind blew high,
The wind of cry and lightning strikes
And now we re standing in the eyes of the storm

And everything is gone, nothing remains

Chorus

Bridge:

Gm Bb F

I never thought it would end

Gm Bb F

You ll never understand

Gm Bb F

How we learn in the end
