

So Happy (Acoustic Version)
Theory of a Deadman

B G E
aaaa... aaaa... aaaa...

B G B
aaaa... aaaa... aaaa...

B G B G x2

B G E
Put the bottle down, finally got somethin to say
B G E
Take another look around and find someone else to play

B G
(Needless to say) That you ve got problems
B G
(There s no fuckin way) that I m gonna solve them

B G
(It s never the same) Every time you slip,

E B G
then you fall down, down, down

B G
Ever wonder what I been thinkin about ?

E
I been thinkin bout throwin you out

B E
I m so happy about you (I m fed up, so get up and get out)

B E
I m so happy now we re through (I m fed up, so get up and get out)

I was so afraid, now you re gone away

B G
Sent you packing, look who s laughin now

E
I m so happy that I feel this way

B G
I m so happy that I threw you away

B G E
Put your problems down and pick up what s left of the pain

B G E
Take a good look at yourself and see who s really to blame

B G
(Needless to say) You got issues

B G
(There s no fuckin way) That I m gonna fix you

B G
(It s never the same) Ever since you went

E B G
fallin down, down, down
