

**The Bitch Came Back**  
**Theory of a Deadman**

My First time putting chords so i hope i did ok. just listen to the song and just the strum pattern and these are the chords

Refrain :

**Em**            **D**            **C**            **Bm**  
The bitch came back the very next day  
Oh, the bitch came back thought she was a goner  
But, the bitch came back she couldn t stay away  
Don t you know the bitch came back?

I like her so much better when she s down on her knees  
Cause when she s in my face that s when I m starting to see  
That all my friends are laughing thinking that we belong  
Well she s so fuckin stupid that she s singing along

The trouble with girls is they re all the same  
Forget the diamonds and pearls they just want a ring  
Before you know it you re like a dog on a leash  
Well you can try and change the world but you won t change me

Refrain :

The bitch came back the very next day  
Oh, the bitch came back thought she was a goner  
But, the bitch came back she couldn t stay away  
Don t you know the bitch came back?

There she goes again just always breaking my balls  
No matter what I do somehow it s always my fault  
She says I must be cheating cause I turned off my phone  
But that s the only frickin way she ll leave me alone

The trouble with girls is never enough  
Love to complain and they never shut up  
Like to tell you the way it ought to be  
Go on and tell the world just don t tell me

Refrain :

The bitch came back the very next day  
Oh, the bitch came back thought she was a goner  
But, the bitch came back she couldn t stay away  
Don t you know the bitch came back?

It ain't a joke when I say I wanna throw you out  
(I really mean it) (I really mean it)  
Well look who's laughing now

The bitch, came, the bitch came back  
The bitch, came, the bitch came back  
The bitch, came, the bitch came back  
She just couldn't stay away

Refrain :

The bitch came back the very next day  
Oh, the bitch came back thought she was a goner  
But, the bitch came back she won't stay the fuck away

The bitch came back the very next day  
Oh, the bitch came back thought she was a goner  
But, the bitch came back she couldn't stay away  
Don't you know the bitch came back (X2)
