WAIT FOR ME - Theory of a Deadman

---

Tabbed by: Jerem as Menichelli (Jere-Menichelli)  
E-mail: jmenichelli@hotmail.com

Tuning: Eb, Bb, Gb, Db, Ab, Eb (    Step Down)

[Intro]

**D - Asus4 - G - Asus4**

[Verse]

**D Asus4**  
You are not alone tonight  
**G Asus4**  
Imagine me there by your side  
**D Asus4 G Asus4**  
It s so hard to be here so far away from you  
**D Asus4**  
I m counting the days till I m finally done  
**G Asus4**  
I m counting them down, yeah, one by one  
**D Asus4 G Asus4**  
It feels like forever till I return to you  
  
**G A**  
But it helps me on those lonely nights  
**G**  
It s that one thing that keeps me alive

[Chorus]

**A D A G A**  
Knowing that you wait for me  
**D A G A**  
Ever so patiently

**D - Asus4**

[Verse]

**D Asus4**  
 No one else knows the feeling inside  
**G Asus4**  
 We hang up the phone without saying goodnight  
**D Asus4 G Asus4**  
 Because it's the sound of your voice that brings me home

**G Asus4**  
 It's never been easy to say  
**G**  
 But it's easier when I've gone away

[Chorus]

**A D A G A**  
 Knowing that you wait for me  
**D A G A**  
 Ever so patiently  
**D A**  
 Yeah, you're everything I've ever dreamed of having and.  
**G A D A G A**  
 It's everything I need from you just knowing that you wait for me

[Bridge]

**G**  
 What I'd give  
 What I'd do  
**A**  
 Knowing I'm not there for you  
**G A**  
 Makes it so hard to leave  
**G**  
 What I'd give  
 What I'd do  
**A**  
 Anything to get me home to you  
**G A**  
 And this time I'll stay

**D - Asus4 - G - Asus4**

[Chorus]

**D A G A**  
 And you wait for me  
**D A G A**  
 Ever so patiently  
**D A**

Yeah, you re everything I ve ever dreamed of having and.

**G**                                  **A**                                  **D**      **A**      **G**      **A**  
It s everything I need from you just knowing that you wait for me

**Asus4**
