

**Lonely Cryin Only
Therapy**

A E D D }x2

What if the sky falls and shoves me into the ground?
Would you pray for me? Or would you pull me out?

A E F#m D
Yeah, I know you re no angel but I m stuck right now
D D E E
Don t walk away pretendin you don t know how

Like a fat kid suicide believing they re wrong
And you were givin up early and goin out alone
Yeah, I know you re no angel but I m stuck for friends
Once I m out, I won t be back there again

Chorus:

A
And if you re lonely (You re lonely)
F#m
And you re cryin all the time (You re cryin now)
C#m
Heaven help me (Help me)
D E
Cause your heart s as dead as mine
We all go slowly (Go slowly)
And time is catchin up (Time s catchin)
If you would only (Up only) **A F#m E }x2**
Give me two minutes of your twisted love

Bridge:

D A
Everyday it gets much better
Everyone s on your side
D D F#m D
Skies colliding in your name
D E
Strike it up and lights and step outside cause you know what s goin on

Chorus.

(Your twisted) Your twisted love }x3
