

**Skyward
Therapy**

Tabbed according to the album version of Therapy? Skyward. The timing isn't perfect in bridge part, but just listen to the song and you'll hopefully get the idea. Not quite sure about the lyrics. Seems that they use different lyrics nowadays compared to the album version, so I just used the ones I could find. Enjoy! Please leave corrections if you have any.

Chords used in this song:

Bm, G, D, A

Use powerchords

Intro:

Bm, G, D x 3

Bm **G** **D**
This reminds me when they shot him dead
Bm **G** **D**
Don't go out of this place is what he said
Bm **G** **D**
Saw a movie and I finally cried

 G **D** **G** **D**
You sent me skyward, skyward

Bm **G** **D**
So many people asking how much I had
Bm **G** **D**
The world flashes, Christians slide into Hell
Bm **G** **D**
What I've got is bad but I'm as high as a bird

 G **D** **G** **D**
She sent me skyward, skyward

A **G** **D**
Said, one day I'm dreaming just about like before (?) (one day I'll reveal ?
for) (?)
A **G** **D**
You sure of my feelings just like before (?) (one day you're sure I'm off my
face I just
the door) (?)

A **G** **D**
I got stabbed back then so I said (?) (one day I've got to step back and see
where to
(?))

G D G D
You sent me skyward, skyward

Bm G D
You took your heart with you safe as mine (?)

Bm G D
Time after time I've broached desire (?) (take away the pain) (?)

Bm G D
In those parties where all times of year (?)

G D G D
She poured me skyward, skyward

G D G D
skyward, skyward
