

**Burn The Night Away  
There for Tomorrow**

Burn the Night Away: Tuning  $\Delta\frac{1}{2}$  step down, opt drop C#  
(When strumming with Drop C#, add bottom two strings on Dsus7, D, D2)

xx2x33 Dsus7

xx0x32 D

xx57x7 G

xx4x35 D2 (D variation-I call D #2)

x2x03x B7

Verses pluck bottom string, then top two. Chorus: strum chords.

Dsus7

It s 3 in the morning and

D

I m still not sleeping

G D2 B7

cause I am finally running your race

Dsus7

The mountains you ve been climbing

D

seem like they have steepened

G D2 B7

since I decided to pick up the pace

Dsus7 D

If the whole world told me I should disappear

G D2 B7

could I fall right next to you?

Dsus7

Just let me burn the night away

D

Oh, baby let me burn the night away

G D2

By thinking of all the simple things you say to me

B7

that get me through the day

Dsus7

You keep me wide awake

Dsus7

D

So don t look back the hour glass is running empty

G D2 B7

you ve got me buried with your every move

Dsus7

**D**

Your fine lines have me at a loss of memory

**G**      **D2**

**B7**

I m right beside you in an empty room

Dsus7

**D**

If the whole world told me I should disappear

**G**      **D2**      **B7**

could I fall right next to you?

Just let me burn the night away

Dsus7

Just let me burn the night away

**D**

Oh, baby let me burn the night away

**G**                  **D2**

By thinking of all the simple things you say to me

**B7**

that get me through the day

Dsus7

And it s so hard

**D**

to catch your feelings when you

**G**      **D2**      **B7**

always run away

Dsus7

**D**

Youâ€™re making it hard for me to just start

**D2**      **G**      **B7**

over like we re new

Dsus7

Oh, the world told me

**D**

I should disappear

**D2**

**G**

cause I m falling in love with you
