In the ocean, deep down  
Under raging waves, wrapped in memories, you ll find

Captain, did you find  
Land of Mu, Eldorado for the seaman?  
Or did you sink in dreams (and) lose your ship  
In the Sirens symphony?

When the sailman s sailing away  
He shows that the dream of Lemuria is true  
A land lost he will find again  
Hear the call from the depth of the anemone song  
Do you dare to enter the ship?  
Hear the call from below of an underwater world  
Land of Mu is close to the stars  
In the arms of the sea you will live as hypnotized
