

Ljusalfheim  
Therion

Intro

**Am E F G C**  
**Am E B E**

Verse 1

**Am**                      **E**  
Solar glare from Lord Frej,

**F**              **G C**  
the Shining One,

**Am**              **E B**                      **E**  
in Ljusalfheim he s King of elves.

**Am**                      **E**  
High above the rainbow

**F**              **G C**  
and in the tarn

**Am**              **E B**                      **E**  
deep in the wood you ll find the elves.

Chorus

**Dm**                      **C**  
Follow their light

**E**                                      **Am**  
it s brighter than the sun

**Dm**                      **C**  
it makes you fly...

**F#**                      **B**  
forever in the sky

Repeat Intro

Verse 2

**Am**                      **E**  
In the realm of Alfheim

**F**              **G C**  
you never know

**Am**                    **E**        **B**        **E**  
what you have seen... A pale mirage?

**Am**                                    **E**  
Beauty make you sunblind

**F**        **G**    **C**  
it fills your mind

**Am**                **E**    **B**                    **E**  
you fly away and lose your hug.

Chorus

**Dm**                                    **C**  
Fly with their wings

**E**    **Am**  
they make you feel so free

**Dm**                                    **C**  
but you may fall...

**F#**                                    **B**  
forever in the sky

**Dm**                                    **C**  
Flee from their light

**E**    **Am**  
they ll maybe drag you down

**Dm**                                    **C**  
or make you fly...

**F#**                                    **B**  
so deep in the dark

Solo 1

**C Dm G C**  
**C Dm E**  
**Am Dm G C**  
**Am Dm E**

Chorus

**Dm**                                    **C**  
Flee from their light

**E**    **Am**  
they ll maybe drag you down
