Absolutely Bill s Mood by They Might Be Giants

[Convention: each chord is two beats/half a measure. A dash indicates that the chord is held for another two beats; two chords with a slash between them are held for one beat/a quarter of a measure each.]

1.

|: **Bm** **F#m** **E** **Bm** :|  
I was born in a lighthouse, my mother was the sea  
I crawled to school each morning when it occurred to me

**G** **D** **F#** **Bm**  
that life s just a mood ring we re not allowed to see

**E** - **F#** -  
and this is what it said to me:

Chorus:

**Bm** **A** **Bm** **F#m**  
My room s comfortably small with rubber lining the walls

**Bm** **E** **A** -  
and there s someone always calling my name

**Bm** **A** **Bm** **F#m**  
he calls when I m alone and he calls when I m not home

**D** - **F#** -  
and he calls when I m stuck out in the rain

|: **Bm** - / **A** :|  
I m insane

2.

Now listen all you swingers, don t you try to tag along  
I know monkey see but monkey s dead, for you it would be wrong  
put a dime in my jukebox - you ll only hear this song  
and it won t be fun for long

(Chorus)

-E.M.
