

**Bed Bed Bed**  
**They Might Be Giants**

Artist: They Might Be Giants  
Song: Bed Bed Bed  
Album: No!

Verse 1: ( Durring the verses just strum an E )  
The day is done  
The sun is down  
The curtains have been drawn  
And darkness has descended over everything in town  
The covers have been turned and I ve got my pajamas on  
I ve had my fun  
I ve stretched and yawned and all is said and done

Chorus:

**F#**  
I m going to bed  
**D** **E**  
Bed bed bed bed bed

Verse 2:

I ve done so many things today  
There s nothing left to do  
I ate three meals, I rode my bike, I hung out with my friends  
I did my chores, I watched TV, I practiced the guitar  
I brushed my teeth, I read my book, and then I sat around

Chorus:

I m going to bed  
Bed bed bed bed bed

Bridge:

**D** **A** **B** High **E**  
Oh it s pointless staying up for even twenty seconds more  
**D** **A** **B** High **E**  
When everything has happened and there s nothing else in store  
**D** **A** **B** High **E**  
The thing is now to lay my head down, close my eyes, and snore  
**F#**  
And so to bed directly I goooooooooo

Verse 3:

Bed bed bed bed bed
