They Might Be Giants

Artist: They Might Be Giants
Song: Experimental Film
Album: The Spine

Verse 1:

G F C D Em Am D G
The color of infinity inside an empty glass
G F C D Em Am D G
I m squinting my eye and turning off and on and on and off the light
Em C D G
It s for this experimental film
Em C D G
Which nobody knows about and which
Em Am D G
I m still figuring out what s going to go
C Am D G
In my experimental film

Chorus:

C D G Am7
Yeah, you re all gonna be in this experimental film
C D C D
And even though I can t explain it I already know how great it is

Verse 2:

I already know the ending. It s the part that makes your face implode
I don t know what makes your face implode, but that s the way the movie ends
And in my experimental film
Which nobody knows about and which
I m still figuring out your face implodes
In my experimental film

Chorus:

Yeah, you re all gonna be in this experimental film
And even though I can t explain it I already know how great it is
And even though I can t explain it I already know how great it is

Solo:

F Eb Bb C Dm Gm C F
F Eb Bb C Dm Gm C F

Verse 3:

The color of infinity inside an empty glass
It s for this experimental film
Which nobody knows about and which
I m still figuring out what s going to go
In my experimental film

Chorus:

Yeah, you re all gonna be in this experimental film
And even though I can t explain it
I already know how great it s gonna
Yeah, you re gonna be in this experimental film
And even though I can t explain it
I already know how great it
Even though I can t explain it
I already know how great it is

End on C chord
