Though I try, try, try

**F**

**Bb**

**Db**

I can t hide from my mind

**F**

And you know why

Verse 2:

Running against the traffic

To find where I lost you

I m catching up to the echos

And I hear your voice from the buildings

I hear your voice from the buildings

Chorus:

I can t hide from my mind

Though I try, try, try

I can t hide from my mind

And you know why

Bridge:

**A**

The bars are in my eyes

**F**

And kisses make you cry

**Db**

Smiles turned out misleading

**C**

And memory s a lie
