I ll find the sweetest spot to watch as it goes away
You were so happy with the things that you said
Like he s my lower half you laughed, but you re gonna cry

A river of tiny tears flow from your crocodile eyes
Too late to apologize, I say, as flood waters rise

I think they d understand my plan - I ll never be sure
I ve got a message, so before I get through
I ll find your answering machine and I ll sink it first

Burn your forget-me-nots - admit that true love can die
No I won t apologize my love just kiss me goodbye
