Out Of Jail
by They Might Be Giants
Transcribed by Adam Lane

This is a really simple tune, and not origionally one of my favorites
on John Henry, but lately I ve noticed how much fun it is to play.

Intro
E F G

Verse
G C G D
Long before the screen door slammed, she was out of xenia
G C G D
A stranger could have loved that town, but she had to leave

Chorus
Am D Am D
I wish I d gotten to know her before I fell in love
G Am
I could say who s to blame, say who s the man in this
F D
cautionary tale
G Am
But I swore I d be true and I ll swear and I ll swear
F D
Til kitten s out of jail

Verse
It was like a TV show, the way she stole that car
Easy now to criticize, easy now to talk

Chorus
I thought my luck was changing, I guess I was wrong
I could say who s to blame, say who s the man in this
cautionary tale
But I swore I d be true and I ll swear and I ll swear
Til kitten s out of jail

Bridge

Em F C G

Didn't want to be a slave

Em F G

just turned out that way

(Organ solo:listen for the rythm)

G Am F D G Am F D

Chorus

I thought my luck was changing, I guess I was wrong

I could say she's to blame, say she's the man in this

Til kittens out of jail
