See The Constelation
by They Might Be Giants
Transcribed by Adam Lane

I think it s all power chords, but your guess is as good as mine

The Riff: Play this twice

E-----	-----	E
B-----	-----0-----	B
G----0----0---0---0-----	----0-----0---0---0----	G
D-----0--3---2---0-----	----0--3---2-----	D
A-----3p2-	-----	A
E--3-----	3-----	E

F/G		F/G		F/G		F/G
I lay my head_	On the railroad track_	Stare at the sky_	All painted up_			
D		G				
Your train is gone,	won t be comin	back				

(CHORUS)

D	C	G	-	C	A		
See the constellation,	ride across the sky						
G	D	C	A	G	D	C	G
No cigar no lady on his arm,	just a guy made of dots and lines						
G	D	C	G				
Just a guy made of dots and lines							

Two years ago_ Moved from my town_ I was looking up_ Past the city lights_
But the city lights got in my way

(CHORUS)

(For this verse, there is no guitar, the base is playing F and G in the same
rythm as the chords in the other verses)
I found my mind_ On the ground below_ I was looking up_ It was looking back_
I was in the sky all dressed in black

(CHORUS:Which is extended with...)

G **D** **C** - **F**
Just a guy made of dots_ and_ lines_

(Some improv here, then play the riff over this)

Can you hear what I see in the sky?

At the end, there s something going on with a G chord. Some bending and stuff. listen to the song and play with it.
