

Nightwalker
Thiago Pethit

Bm

My shoes

D

They took me for a walk

Bm

I guess

D

We walked a hundred blocks

Em

When it was time to go back

D

We were getting off the tracks

They said

Em

Just one more cigarette?

D

A drink or two would not be bad

Bm

My shoes

D

They took me to a bar

Bm

Quite soon

I said

D

We're in a trap, we are?

Em

D

One shot made me feel brand new

Em

D

Two and all I thought was you

A

Dancing, dancing

D

Dreaming of a neon light

A

Dancing, just dancing

D

I've got you deep inside of my mind

Bm

How sad

D

Is a dancer on his own?

Bm

Too bad

D

The steps they all seem wrong

Em **D**

One shot just made me feel blue

Em **D**

Two, I'm getting through with you

Em

One day

D

I hope I might be right

Em

One night

D

Like any other night

Em **D**

Your shoes will take you for a walk

Em **D**

And they will lead to my door
