

Sweet Funny Melody

Thiago Pethit

Em

You said that it s too late

C

It s not the perfect time

Em

You told me You are great

C

why can t you be just mine?

Baby

Em

You can break my heart in one or two

C

or more than a thousand pieces

Em

You can bring me down

C

You can take me high and fly and fly

Am

Oh boy, we still have

D

One last dance to dance

Am

Let s take it as a bet

D

Let s give us one last chance

Em

Cause you and I

C

We are meant to be

Em

Whatever the future might

C

Choose for us to see

Again

Em

You can break my heart in one or two

C

or in a zillion pieces

Em

You can bring me down

C

You can take me high

Am

Oh boy, we still have

D

One last dance

Am

Let s take it

D

Let s give us one last chance

Em

I m not as nice

C

As you thought I were

Em

I m only fine

C

I m only what you heard

There we go

(**Em C**) (2x) (**Am D**) (2x)

E

Even though

C

You like me so

Em

You told me no

C

just no, no nooo

Once more

Em

You can break my heart in one or two

C

or in a zillion pieces

Em

You can bring me down

C

You can take me high

Am

Oh boy, we still have

D

One last dance

Am

Let s take it

D

Let s give us one last chance

Em

I guess this song

C

Is sung off-key

Em

That s how I see

C

this sweet funny melody

The end
