Sweet Funny Melody
Thiago Pethit

Em
 You said that it s too late
      C
It s not the perfect time
      Em
You told me You are great
     C
why can t you be just mine?

Baby

Em
You can break my heart in one or two
    C
or more than a thousand pieces
Em
 You can bring me down
               C
You can take me high and fly and fly
Am
 Oh boy, we still have
D
One last dance to dance
Am
 Let s take it as a bet
D
Let s give us one last chance

        Em
Cause you and I
         C
We are meant to be
     Em
Whatever the future might
C
Choose for us to see

Again

Em
You can break my heart in one or two
    C
or in a zillion pieces
Em
 You can bring me down
               C
You can take me high

```
Am
  Oh boy, we still have
D
One last dance
Am
  Let s take it
      D
Let s give us one last chance

      Em
I m not as nice
        C
As you thought I were
      Em
I m only fine
      C
I m only what you heard
There we go

( Em  C ) (2x) ( Am  D ) (2x)

E
Even though
     C
You like me so
      Em
You told me no
          C
just no, no nooo
Once more

Em
You can break my heart in one or two
   C
or in a zillion pieces
Em
  You can bring me down
              C
You can take me high
Am
  Oh boy, we still have
D
One last dance
Am
  Let s take it
      D
Let s give us one last chance

   Em
I guess this song
    C
Is sung off-key
        Em
```

That s how I see

        C

this sweet funny melody

The end
