Then repeat intro and verse (note: intro is continuing on verse!)

1st solo (two overdriven guitars):

|14--12--10~-----|
E

Then comes the bridge with lots of scratching and dead notes and second solo but i didn t
tabed it. Yet.... ;-)
All i have is middle of the bridge (those mellow power chords):

E | |-----| |
B | |-----| |
G | |-----| |
D | |--5---5-----| |
A | |--7---3---5-----| |
E | |-----3-----| |

Now play Riff H which is break from bridge and again intro chords and verse
(note: and here
intro is continuing on verse!)

And you finish with Riff G and little fill.

Any corrections or stuff wich isn t here are very welcome!
Hope you ll like it!
