Soldier Of Fortune Thin Lizzy

```
[Intro]
                                    C D
 A soldier of fortune came home from war and wondered what he was fighting for
 This sad-eyed soldier, he broke down and cried, Oh he was so broke up inside
                                  C
 When will it end?, When will it end?
 The bells toll, For those about to die
[Instrumental]
       D
           C
                       D
                              (x4)
[Verse 1]
                          D
 The battle s over, the war is won, But this soldier of fortune, he will carry
                           D
                                   C
He will carry on when all hope is gone, He will carry on
[Verse 2]
 He s trained to kill and kill he will, As we march along
                      C
Singing just another soldier song, Just another soldier song
[Instrumental]
      D
           C
                            (x3)
                       D
           C
      D
                       Em
[Chorus]
                   C D
        Em D
                           G
                                        Em D
                                                C
                                                       G
                                                                         D
                                                    D
  I am a soldier of fortune, Destined to keep on marching, I can hear the pipers
calling
[Instrumental]
       D
                       Em
           C
                            (x4)
G
       D
           C
                            (x4)
                       D
       D
           C
                            (x3)
G
                       D
           C
[Chorus]
G
        Em D
                   C D
                           G
                                        Em D
                                                C
                                                    D
                                                         G
                                                                         D
C D
```

I am a soldier of fortune, Destined to keep on marching, I can hear the pipers calling $% \left(1\right) =\left(1\right) +\left(1\right) +\left($
