It s been so long since

But do you know

There s a place where you belong

Here in My Arms

When you feel like you re alone in your sadness

**B F# C#**

And it seems like no one in this whole world cares

**B F# Ebm**

And you want to get away from the madness

**B F# C# G#**

You just call My name and I ll be there

**B F# B F# C# B F# C#**

You just call My name and I ll be there

The pain inside

That your heart could ever want

**C# B**

And so much more
