Gone

Third Day

```
D
Please forgive me
I don't mean to be rude, But I gotta keep moving
I sure wish I could stay, But I gotta keep doing
What I've been called to do
And don't forget me
Long after I'm gone, And I'm just a memory
I hope you can recall, What I was saying
Was nothing but the truth
Chorus:
Well, I'm gone
It was nice to meet you but I'm gone
I'm sure gonna miss you but I've got to keep moving on
I can't stay in one place too long
Say a prayer for me, I'm gone
Thank you so much
You've been so kind And I can't say enough
Of all the places I've been This is one
That I just don't want to leave
BRIDGE:
Gone like the wind and I'm not sure
When I'm coming back, will you want more
God only knows where I am going And just what tomorrow brings
```

Instrumental: D C G D C G F D F G F D
