

Love Heals Your Heart Third Day

Love this song. Just recently started listening to this group. I like their rock/country feel and as a music therapist, I approve of the message!

Capo 3

Intro: ||: D " Bm " G :||

D Bm G

Did you think you were immune to this?

D Bm G

Did you think you could escape without infection?

D Bm G

You do all you're able to resist

D Bm G

Just to avoid the danger of rejection

Em G D

Memory warns you of the past

Em G A

When it all went wrong

Chorus:

D A

When you think your life is shattered

Em G

And there's nowhere to be fixed again

D A Em " G

Love heals your heart

D A

That in time you least expect it

Em G

You're alive like you have never been

D A " Em " G

Love heals your heart ("love heals your heart)

(Repeat Intro 1x)

Everybody has a wall to climb

That was built to guard the pain that holds them captive

Every smile that they would hide behind

Will try to match the hurt beneath the surface

Sometimes it's hard to understand

How we're trapped inside

(Repeat Chorus)

(Instrumental)

(Repeat Chorus)
