

Merry Christmas
Third Day

A **Esus** **E D**
There s a little girl trembling on a cold December morn

Esus E
Crying for momma s arms

A Esus E D
At an orphanage just outside a little China town

Esus
There the forgotten are

E Bm A
But half a world away I hang the stockings by the fire
G Esus E
And dream about the day when I can finally call you mine

A Bm
It s Christmas time again but you re not home
D A
Your family is here and yet you re somewhere else alone

F#m7 Bm
So tonight I pray that God will come and hold you in his arms
A D E A
And I ll tell you from my heart I wish you Merry Christmas

A Esus E D
As I hang the tinsel on the tree and watch the twinkling lights

Esus E
I m warmed by the fire s glow and

A Esus E D
Outside the children tumble in a wonderland of white,

Esus
Make angels in the snow

E Bm A
But half a world away you try your best to fight the tears
G Esus E
And hope that heaven s angels come to carry you here

A Bm
It s Christmas time again but you re not home
D A
Your family is here and yet you re somewhere else alone

F#m7 Bm
So tonight I pray that God will come and hold you in his arms
A D E A
And I ll tell you from my heart I wish you Merry Christmas

G D A
