

Merry Christmas
Third Day

B F#sus F# E
There s a little girl trembling on a cold December morn
F#sus F#
Crying for momma s arms
B F#sus F# E
At an orphanage just outside a little China town
F#sus
There the forgotten are

F# C#m B
But half a world away I hang the stockings by the fire
A F#sus F#
And dream about the day when I can finally call you mine
B C#m
It s Christmas time again but you re not home
E B
Your family is here and yet you re somewhere else alone
G#m7 C#m
So tonight I pray that God will come and hold you in his arms
B E F# B
And I ll tell you from my heart I wish you Merry Christmas

B F#sus F# E
As I hang the tinsel on the tree and watch the twinkling lights
F#sus F#
I m warmed by the fire s glow and
B F#sus F# E
Outside the children tumble in a wonderland of white,
F#sus
Make angels in the snow

F# C#m B
But half a world away you try your best to fight the tears
A F#sus F#
And hope that heaven s angels come to carry you here
B C#m
It s Christmas time again but you re not home
E B
Your family is here and yet you re somewhere else alone
G#m7 C#m
So tonight I pray that God will come and hold you in his arms
B E F# B
And I ll tell you from my heart I wish you Merry Christmas
A E B
And Christmas is a time to celebrate the holy child
A E B

And when we celebrate his perfect gift of love

He came to earth to give his life

Gm

And prepare a place for us
