

**Mountian Of God**  
**Third Day**

Me and my friend corrected this tab from this site. I did the end part and my friend  
out the Unkown chord on the bridge.

//verse

**D**  
I thought that I was all alone

**A**  
Broken and afraid

**Em**  
but you were there with me

**G** **A**  
yes you were there with me

**D**  
and I didn t even know

**A**  
that I had lost my way

**Em**  
but you were there with me

**G** **A**  
yes you were there with me

//Prechorus

**C**  
Until you opened up my eyes

**A**  
I never knew

**C**  
That I couldn t ever make it

**A**  
without you

//Chorus

**D**  
Even though the journey s long

**A**  
And I know the road is hard

**Em**  
Well, the one who s gone before me

**G** **A**  
he will help me carry on

**D**  
After all that I ve been through

**A**  
Now I realize the truth

**Em**

That I must go through the valley

**G**

**A**

**D**

to stand upon the mountain of God

//verse 2

**D**

As I travel on the road

**A**

that you have lead me down

**Em**

you are here with me

**G**

**A**

yes, you are here with me

**D**

I have need for nothing more

**A**

Oh, now that I have found

**Em**

That You are here with me

**G**

**A**

Yes, you are here with me

//Prechorus2

**C**

I confess from time to time

**A**

I lose my way

**C**

But you are always there

**D**

To bring me back again

[to Chorus]

//Bridge

**C**

**A**

Sometimes I think of where it is I ve come from

**C**

**A**

And the things I ve left behind

**Bm**

But of all I ve had, what I possessed

**E**

Nothing can quite compare

**G**

with what s in front of me

**A**

With what s in front of me

**E**

Even though the journey s long

**B**

And I know the road is hard

**F#m**

Well, the one who s gone before me

**A**

**B**

he will help me carry on

**E**

After all that I ve been through

**B**

Now I realize the truth

**F#m**

That I must go through the valley

**A**

**B**

to stand upon the mountain

**E**

I thought that I was all alone

**B**

Broken and afraid

**F#m**

but you were there with me

**A**

yes you were there with me
