Ready Third Day The melody of this song can sound difficult, but it actually seems fairly simple. The are all the same variation of the Em A C D progression, and the chorus is the C G Em D occasionally taking out the Em. There s more to the song that I may add later. Or someone else can add it. Intro: Em Α C D Verse: Em Α I m ready for the winds to change С D I m ready for a brighter day Em С Α I m ready for the sun to shine down on me Em Α I m waiting for a song to sing С D I m looking for a brand new thing C Em Α I m ready now to live a life that I believe Chorus: С G I want the world to turn because of love Em D And mercy to find each of us С D G Doing what we can to just believe C G I want the world to know that You re the One D Em Who fills me up and gives me hope D C G And brings about this change that s in me С G D Oh yeah, I m ready, yeah С G D You know I m ready now
