

Run To You
Third Day

Em C G B

[Verse 1]

Em C
I was tired of waiting, playing all the games and
G B
Living in a place that was not for me
Em C
So I thought it was time for me to get what's mine
G B
And to do it all, everything I dreamed

C G
What I thought was the best of me turned to be
C B
All the worst I could find

[Chorus]

Em C
If I run to you, will you hold me
G B
In your arms, forevermore
Em C
If I run to you, will you hold me
G B
In your arms, forevermore

[Verse 2]

Em C
Now I got a feeling that I've got to leave and
G B
Find a way back to where I came from
Em C
Though I don't deserve it, I know it's unheard but
G B
Living here without you my life is done

C G
I confess that I shouldn't have run from you,
C B
Now I know I was wrong

[Chorus]

Em C
If I run to you, will you hold me
G B
In your arms, forevermore

Em **C**
If I run to you, will you hold me
G **B**
In your arms, forevermore

[Bridge]

C **G**
Nowhere to run to and no one to turn to
Asus2 **Em**
I m dying out here on my own
C **G**
Long before I even thought of returning
Asus2 **B**
Your arms are wide open, waiting for me to come home

Em C G B (2x) (Mac and Lacey sing together while Mark solos)

[Chorus]

Em **C**
If I run to you, will you hold me
G **B**
In your arms, forevermore
Em **C**
If I run to you, will you hold me
G **B**
In your arms, forevermore

Em **C**
If I run to you, will you hold me
G **B**
In your arms, forevermore
Em **C**
If I run to you, will you hold me
G **B**
In your arms, forevermore?
