

San Angelo
Third Day

Verse:

G **C** **G** **C** **G**
Forever seems so distant much further than today you turn around an in an
C **Em** **C** **G**
instant you find that you are just as far from yesterday the day feels
C **G** **C** **G**
like winter the night it feels like stone you turn around and you
C **Em** **C**
remember when you re surrounded you can still feel so alone

Pre-Chorus:

C **G** **D**
But it s in between the start and end i find myself once again questioning
D7
this place calling out your name

Chorus:

Cmaj7 **Em** **D** **C**
San Angelo what do you know and tell me do you have something to say? Don t
C **Em** **D** **C**
get me wrong but i miss my home and it feels like i m a million miles away
