C **Em**
Where did I go wrong?
F **Am** **G**
Tell me what I have done here
C **Em**
It didn t take too long
F **Am** **G**
For the sun to disapear
D **F**
Now it s gone, and I m alone

Chorus:

C **C7**
This song was meant for you,

It had a happy ending
F **Fm7**
But you had to change your mind

I don t know what happened
C **C7**
Thought that you would never leave

Is a song forever?
F **Fm7**
Life for you will surely change

Maybe for then better

bridge:

G

You never know what the future holds for you

G

C

But of all I have heard this one thing s true

Bb

Nothing can seperate us from God s love

G

In our lives there is bound to come some pain

G

C

Surely as there are storms and falling rain

Bb

A

D

Just believe that the one who holds the storms can bring the sun

Then play the chorus, but there s a trick, transpose up 1 whole step,or,
