

Farther

Third Eye Blind

**G** **Em** **C**  
Nothing much matters to me so I don't see why I should hold so tightly to  
**G** **Em--C**  
a memory that I can't speak of---- I think about it nightly how you  
**G** **Em---C**  
opened up your life for me--- Why are you still lonely? Though  
**G** **Em**  
I'm not the type who begs, I'm thinking how you'd open up your  
**C,** **C(MUTE)** **G** **Em** **C**  
legs... And I'm Farther from you everyday... Alright, yeah.  
**C** **G** **Em** **C** **G**  
Farther from you everyday. F-f-farther. Alright. And a woman talking  
**Em** **C**  
to herself gathers up the shit she couldn't sell. Chances don't bode  
**G** **Em** **C**  
well tomorrow and talking to myself pass by- I miss you. But not the  
**G** **Em**  
face you make, like when you found me out for the fake I am-- so easily  
**C** **G** **Em**  
you see through me. What do you do to me to make me treat you do bad?  
**C** **C(MUTE)** **G**  
I keep hoping that you'll speak to me. But I'm farther from you everyday  
**Em** **C** **G**  
yeah. Oh yeah... Farther from you everyday (all I care about is waiting  
**Em** **C** **Em**  
and all the people we are fading into. Farther from you everyday. Oh oh oh  
**C** **A** **G** **Em**  
oh there was a sound in you but I don't know how it goes. Yeah yeah. There  
**G** **A** **G** **Em**  
was something we went through that blew in from the coast. Yeah yeah. You  
**G Em** **G C** **D**  
are of the earth. I am of the sky. I don't even know what the hell that  
**G**  
means (G, Em, C Times 2)\*\*Farther from you everyday (all I care about is  
**Em** **C**  
waiting and all the people we are fading into. Farther from you everyday.  
**G** **Em** **C**  
(I Don't care about you dying years from now, having known who you are.)\*\*

You can repeat as much as you want in the area of the 2 stars (\*\*). This was my first tab ever and I've only been playing guitar for a couple weeks so sorry if it is bad. I hope you enjoy playing this song- it's one of my favorites ever!
