

Good Man  
Third Eye Blind

Intro: EA  
me A  
to rest A  
on your dress now like a little boy C#m When all that you wanted A  
E All that you wanted was a good man A E Right in the middle  
of another big fight A Boom back another one tonight  
EBlood never forgets but who protects the memories  
A When we bleed each other from the vein E  
A And if you ever find a way to make this interesting E  
A And if I ever find a way to stop disintegrating E  
A Into pieces that I was, that you destroy C#m When all that you wanted A  
E All that you wanted was a good man A E  
Right in the middle of another big fight A Go to bed, it s  
getting light out Why do you, why do you E  
A Why do you always find me in the places when I m coming  
down D C#m And how do you do  
it when I m overwhelmed by a violet sky D And we fly in a  
decayed orbit C#m D 66 thousand miles an  
hour goes by when we kissed And only now do I feel your mouth C#m Like an ache  
you never knew A And it was right in front of you D  
C#m Oh, how do you do it, roots in the soil untangled  
D Releasing in sweet summer oil C#m Still I recoil like  
mace D In all the little moments I pushed you  
away that I can t erase C#m Every moment overflows with power  
A E A E A 66 thousand miles an hour E  
A If you ever find a way to forgive me E  
A If you ever find a way to put this all to rest E  
A Because I m hanging on your dress now like a little boy  
C#m When all that you wanted A E All that you wanted was a good man  
C#m When all that you wanted A E E A E All that  
you wanted was a good man Was a good man...
