LYRICS:

Can I look into the faces that I meet,
Can I get my punk-ass off the street,

I ve been living on for so long,

To the bastard talking down to me,
Your whipping boy calamity,
Cross your fingers, I m going to knock it all down,

Echo fading, We can t let go,
She goes walking by in slow mo ,
Sell your Heart out for a buck,
Go on, Fade out, Before I get stuck.

Talking to somebody like you,
Do you live the days you go through,
Will this song live on long after we do,

Can I look into the faces that I meet,
Can I get my punk-ass off the street.
Won t die on the vine I want to knock it all down,

Echo fading, Candle blow,
Did you flash out long ago,
Cross my fingers, I don t know someone poked you down below.

Can I get my punk-ass off the street,
Can I look into the faces that I meet,
I m not waiting here for you to die,
Will this song live on long after we do.
