Never Let You Go
Third Eye Blind

[Intro/Verse]

The rhythm intro goes like this:
```
E|--------------------------------------|
B|--------------------------------------|
G|---9------------9---------------------|
D|---9--9--7-7----9--9--7-7-7-----------|
A|---7--9--7-7----7--9--7-7-7-----------|
E|------7--5-5-------7--5-5-5-----------|
```

Just do this over and over
throughout the verse.

[Solo]

The little solo riff at the beginning and in other places:
```
E|---2-4-2-0------2-4-2-0------|
B|-----------2------------2--0-|
G|----------------------------|
D|----------------------------|
A|----------------------------|
E|----------------------------|
```

I m not sure about the chorus. Somebody should figure it out and submit it.
