

Palm Reader

Third Eye Blind

I hope this is accurate... it was the best I could produce. The chords are best used as bar chords in standard tuning.

A5 G5 D5 A5
Just give me a call when you feel better,
G5 D5 A5
But you never do and I m just another debtor
G5
To some palm reader who s got her hands mixed up
D5 A5
Palm reader s breath smells of brandy and cigarettes
G5
As she sells me sweet forgets,
A5
She needs something to get her through,
G5 D5 A5 G5
She runs a scam like me and you, oh yeah me and you

D5 A5
Freud said that love was a good psychosis,
G5 D5 A5
But I don t know I ve had too many doses
G5 A5
He s a creep, and we all know that
G5
He probably made it up

A5 G5 D5 A5
Believe in me and this lie, tell me everything will be all right
G5 D5 A5

Cause it s so good to believe, but don t turn my hope into a weapon

I kept your sweater till the scent was gone wrapped up in my hands when the days were long
But I m still sniffing, I walk alone in the concrete with the living
Where pigeons fly, till they gather round the fallen ones, they don t know why
neither do I, neither do I, neither do I, neither do I

A5 G5 D5 A5
Believe in me and this lie, tell me everything will be all right
G5 D5 A5

Cause it s so good to believe, we could turn it all around in a night

G5 D5 A5
Cause it s so good to believe, but don t turn my hope into a weapon
G5 A5

But don't turn my hope into a weapon

There's no one to trust, except maybe the two of us, but that's in the past the
place where I'm living

Haunting my broken dreams, I read horoscopes in magazines

Especially yours, in the sign of the Leo, the regal one but man you let your
claws

show, oh it's so slow, when will they let me go, let me go, let me go, let me go

Believe in me and this lie, tell me everything will be all right

Cause it's so good to believe, we could turn it all around in a night

You and I, yeah it's so good, but don't turn my hope into a weapon

Turn my hope into a weapon
