G
I m packed and I m holding, I m smiling,

She s living, she s golden, she lives for me

She says she lives for me
G **D** **Dsus4**
Ovation her own motivation
C **G**
She comes around and she goes down on me
D **Dsus4**
And I make her smile like a drug for you
C
Do ever what you want to do
G
Coming over you

Keep on smiling what we go through

One stop to the rhythm that divides you

And I speak to you like the chorus to the verse
