

Slow Motion
Third Eye Blind

Person: eeÃ...n

song: Slow Motion (Instrumental)

artist: Third Eye Blind

tab: This is a great song that was originally edited by Elektra for 3eb s new album. This is the tab for the CD version, I expect for the original cut to come out on an EP later this year. This tab is kinda confusing since there is no real order to this song, so just bear with me. If you have any comments, questions, of suggestions, email me at DaMuzikBoi@aol.com. Enjoy!
