A -3-----	-2-----	-2-----	-0-----	-2-----	-----
E -----	-0-----	-----	-----	-3-----	-----

C

Where did everybody go?

Everyone I know is from the coast and

Em

Shiver in the wind it shows

All I have are summer clothes

C

Oh and it brings me down when it s winter time in a summer town

Em

Winter time in a summer town

Bm Am

All we are are friends we keep or lose in time

Bm Am

Fade away, the precious ones we keep in mind

Bm Am G

I wonder now it I m the one that you d leave behind

G D

Cause after Halloween

Am

Everything starts fading

C

I m losing everyone

G

I go down like the sun

D

You know what I mean

Am C

I m just someone in a summer town

C

Standing by the old beach house where we stood outside and sang out loud

Em

Now I shiver like a ghost I remember the time that we drew a crowd and

Bm Am

I told you everything I knew in one manic rushing line

**Bm** **Am** **G**

I wonder now if I m the kind that you d leave behind

**G** **D**

Cause after Halloween

**Am**

Everything starts fading

**C**

I m losing everyone

**G**

I go down like the sun

**D**

You know What I mean

**Am** **C**

My whole life is a summer town

**Bm** **Am** **Bm** **Am** **Bm** **Am**

**C**

I get into the people you met

**Em**

And the moment comes that you can t forget

Time flies in trajectory

Did you give me more than you took from me

**Bm** **Am**

I m as empty now as a vacant sign

**Bm**

Like tonight

**G** **D**

After Halloween

**Am**

Can we stay together

**C**

I m losing everyone

**G**

And I come undone

**D**

Nothing lasts forever

**Am**

Last summer s done

**C**

Can we find another one

Find another one

**G** **D** **Am** **C**

**G**

Hey where did everybody go?

**D**

**Am**

Everyone I know is from the coast and

All we are is holding on

**C**

But we're letting it go letting it go letting it

**G**

All we are is friends we keep

**D**

**Am**

When we lose them all it's bitter sweet

**C**

Our real lives will always be in a summer town

\*Stephan does a rap thing in the outro. You can just play Bm, Am for that part.
