E -----	-0-----	-----	-----	-3-----	-----

D

Where did everybody go?

Everyone I know is from the coast and

F#m

Shiver in the wind it shows

All I have are summer clothes

D

Oh and it brings me down when it's winter time in a summer town

F#m

Winter time in a summer town

C#m Bm

All we are are friends we keep or lose in time

C#m Bm

Fade away, the precious ones we keep in mind

C#m Bm A

I wonder now it I'm the one that you'd leave behind

A E

Cause after Halloween

Bm

Everything starts fading

D

I'm losing everyone

A

I go down like the sun

E

You know what I mean

Bm D

I'm just someone in a summer town

D

Standing by the old beach house where we stood outside and sang out loud

F#m

Now I shiver like a ghost I remember the time that we drew a crowd and

C#m Bm

I told you everything I knew in one manic rushing line

**C#m** **Bm** **A**

I wonder now if I m the kind that you d leave behind

**A** **E**

Cause after Halloween

**Bm**

Everything starts fading

**D**

I m losing everyone

**A**

I go down like the sun

**E**

You know What I mean

**Bm** **D**

My whole life is a summer town

**C#m** **Bm** **C#m** **Bm** **C#m** **Bm**

**D**

I get into the people you met

**F#m**

And the moment comes that you can t forget

Time flies in trajectory

Did you give me more than you took from me

**C#m** **Bm**

I m as empty now as a vacant sign

**C#m**

Like tonight

**A** **E**

After Halloween

**Bm**

Can we stay together

**D**

I m losing everyone

**A**

And I come undone

**E**

Nothing lasts forever

**Bm**

Last summer s done

**D**

Can we find another one

Find another one

**A** **E** **Bm** **D**

**A**

Hey where did everybody go?

**E**

**Bm**

Everyone I know is from the coast and

All we are is holding on

**D**

But we're letting it go letting it go letting it

**A**

All we are is friends we keep

**E**

**Bm**

When we lose them all it's bitter sweet

**D**

Our real lives will always be in a summer town

\*Stephan does a rap thing in the outro. You can just play Bm, Am for that part.
