[Verse 1]

D **Em** **C**
I know I need it, I never tell you, though
D **Em** **C**
I m stuck on the feeling when you come real close

I can t believe it, I ve been alone so long
D **Em** **C**
You helped pick up the pieces, you give and I take what I want

[Pre-Chorus]

G **Em**
Now I know I m afraid to be broken
C **D**
But my feelings for you stay the same

[Chorus]

D **Em** **C**
So I m telling myself it s only love
D **Em** **C**
I gotta remember it s only love
D **Em**
It s not gonna hurt, give it some time
C **C**
It can t be wrong if it feels right
D **Em** **C**
Baby, it s not a bad thing to fall in love

[Verse 2]

D **Em** **C**
You know I need time, oh, it frustrates you
D **Em** **C**
I can see it in your eyes, you feel like a fool
D **Em** **C**
You don t seem to understand why I can t hold your hand
D **Em** **C**
I don t have any reason why I shouldn t be your man

[Pre-Chorus]

G **Em**
Now I know I m afraid to be broken
C **D**
But my feelings for you stay the same

[Chorus]

So I m telling myself it s only love
Gotta remember it s only love
It s not gonna hurt, give it some time
It can t be wrong if it feels right
Baby, it s not a bad thing to fall in love

[Breakdown]

Uh-uh, ooh, uh-uh, ooh
Uh-uh, ooh, uh-uh, ooh
Uh-uh, ooh, uh-uh, ooh
Uh-uh, ooh, uh-uh, ooh

[Chorus]

So I m telling myself it s only love
Gotta remember it s only love
It s not gonna hurt, give it some time
It can t be wrong if it feels right
Baby, it s not a bad thing to fall in love

Don t need to worry, it s only love
Gotta remember it s only love
It s not gonna hurt, give it some time
It can t be wrong if it feels right
